

Petiquette

for your dog or puppy

Does your dog...

have bad manners?

jump on people?

dig in the yard?

pull on a leash?

act unruly?

bark excessively?

If so, I can help!

Using positive, motivational techniques and standard learning theories, I can also help you teach your dog or puppy the basics of sit, down, stay, and come when called. I specialize in basic obedience and problem solving.

With my help, you can train your dog or puppy to be a great companion.
